Dear Mr. Blonien:

On behalf of the Citrus Heights Regional Chamber of Commerce, I confirm that the Chamber would like to be listed as a public supporter of the Communities for California Cardrooms. We support your mission that states:

Mission: *The Communities for California Cardrooms (CCC) Coalition is a 501(c)4 nonprofit organization that provides a united voice for small businesses; advances and protects local jobs and the economy that is provided by card rooms; educates and highlights the public on the benefits and history of card rooms in their communities; and encourages inclusiveness with businesses small and large that share in protecting and growing jobs in California communities.*

Thank you for the opportunity to collaborate with you and your members and we look forward to working with your organization.

Thank you,
